

### **Information on data protection "Short & sweet"**

Your CONVITUS Sammelstiftung für Personalvorsorge and the Beratungsgesellschaft für die zweite Säule AG, Dornacherstrasse 230, Postfach, 4018 Basel, as a comprehensive service provider, are jointly responsible for processing your personal data. We process personal data either on the basis of the Federal Law on Occupational Retirement, Survivors' and Disability Pension Plans (BVG) or on the basis of other legitimation under data protection law, if such is required.

Within the framework of the legal duty of confidentiality, we treat your data strictly confidential.

We record personal data when you join the pension fund, process it further to calculate and collect contributions and require it for the determination and payout of pension benefits.

In order to provide our benefits, we regularly exchange data with the authorities mentioned in Art. 86a and Art. 87 BVG as well as other authorities necessary for the implementation of your occupational benefit scheme (e.g. payment transaction service providers) within the scope of what is legally permissible. We store all your data in Switzerland.

Further information on data protection can be found here:
